

Financial Policy in our office:

Thank you for choosing Dr. Paul Mabe and Naples Family Dentist as your dental health care provider. We believe that all patients deserve the very best dental care we can provide. We also believe that everyone benefits when specific financial arrangements are agreed upon.

The following is a statement of our Financial Policy which we require that you read and sign prior to any treatment. All patients must complete our information and insurance forms before seeing the doctor.

**Full payment is due at time of service.
We accept Cash, Check Visa, MasterCard, Discover and American Express credit cards. We also offer CareCredit which is an extended payment plan with prior credit approval.**

Regarding Insurance

We are happy to file your insurance for you. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. We request that all treatment is paid in full at the time of service. We will send your insurance claims electronically on the day of service and your insurance company will reimburse you directly. We want to assure you that we will work diligently with your insurance company to make sure we provide them with all of the necessary information to expedite your reimbursement.

Payment Plans

Naples Family Dentist has partnered with CareCredit, a patient financing company, to offer our patients 0% interest financing for 12 months with approval.
